2 Back ground Information

2.1 Background

Jammu & Kashmir is a hilly State situated in the northern part of the country. The State is bordered by Himachal Pradesh on South-East, Punjab on South, China on the East and Pakistan on the West. Located in the Himalayan Mountains, Jammu & Kashmir is known for its scenic beauty. Being a hilly state, Jammu & Kashmir has a varied climate that changes with altitude. The climate ranges from warm and sub-humid tropical at low altitudes to cold and icy at high altitudes. There are three main seasons: winter from October to February, summer from March to June and rainy from July to September.

It is one of the fastest growing States of the country. With congenial industrial climate, progressive and promotional steps taken by the State Government, Jammu & Kashmir has attracted huge investments in various industrial sectors. Besides this, Tourism, Agriculture/ Horticulture also play a significant role in the state’s economy. State is also known as the fruit bowl of the country.

With two perennial rivers flowing through the state, Jammu & Kashmir has the potential to contribute 20% to India’s hydropower potential. The State has an estimated hydropower potential of over 17,000 MW.

The State Government has also developed appropriate infrastructure for inclusive development which includes a provision of public utility services, roads, communication network, airports, transport facilities, water supply and civic amenities, among others.

The State has identified focus areas; Food Processing, Horticulture, Herbal & Aromatic, Tourism & Hospitality, Healthcare & Wellness, Pharmaceuticals, Automobiles, IT & ITES, Hydro, Renewable Energy, Expediting industrial development in the state.

The State Government has planned to host Global Investor Meet 2019 – Rising Jammu & Kashmir at Jammu and Srinagar in the month of October 2019. The selected Knowledge Partner needs to manage the full event as per mentioned scope of work to the best industry standard.

2.2 Project Objectives and Expectations

Trade Promotion Organization (TPO), Jammu & Kashmir in its efforts to promote industrial activity in the State and establish Jammu & Kashmir as one of the prime investment destinations, has concrete plans to create awareness among existing and prospective entrepreneurs about the current incentives and facilities being offered by Government of Jammu & Kashmir for facilitating Investment.
In this backdrop, the state has plans to participate in and organize events, conferences, seminars, road shows, business development meets, G2B meets and Global Investors Meet. In addition, the organization wants to exploit the investment potential created through recent single window clearance and ease of Doing Business initiatives of State Government into actual investment in the state and management of the existing and proposed projects.

b. Upon termination of this Agreement all pending payments due till the date of the termination of the contract will be made by Organization to the Consultant within 30 days of the contract termination.

4.20.1.6 Consequences of Termination

a. In the event of termination of the Contract due to any cause whatsoever, [whether consequent to the stipulated term of the Contract or otherwise], the Organization shall be entitled to impose any such obligations and conditions and issue any clarifications as may be necessary to ensure an efficient transition and effective business continuity of the Service(s) which the
Consultant shall be obliged to comply with and take all available steps to minimize loss resulting from that termination/breach, and further allow the next successor Consultant to take over the obligations of the erstwhile Consultant in relation to the execution/continued execution of the scope of the Contract.

b. Nothing herein shall restrict the right of the Organization to invoke the Organization Guarantee and other guarantees, securities furnished, enforce the Deed of Indemnity and pursue such other rights and/or remedies that may be available to the Organization under law or otherwise.

c. The termination hereof shall not affect any accrued right or liability of either Party nor affect the operation of the provisions of the Contract that are expressly or by implication intended to come into or continue in force on or after such termination.

4.20.2 Liquidated Damages

a. Notwithstanding Organization’s right to cancel the order, liquidated damages for late delivery at 1% (One percent) of the undelivered portion of order value per week will be charged for every week’s delay in the specified delivery schedule subject to a maximum of 10% of the value of the order value. No Damage will be charged in case of force measure beyond control of the bidder.

b. Please note that the above Liquidated Damages (LD) for delay in delivery and delay in commissioning are independent of each other and shall be levied as the case may be.

c. Organization reserve its right to recover these amounts by any mode such as adjusting from any payments to be made by Organization to the bidder. Liquidated damages will be calculated on per week basis.

d. The cumulative and aggregate limit of Liquidated Damages (LD) for delay in delivery and LD for delay in commissioning would be limited to maximum of 10% of the total contract value. The aggregate liability of the Consultant shall in no event exceed the total value of the fee received under this contract.

4.20.3 Dispute Resolution Mechanism

The Bidder and the Organization shall endeavor their best to amicably settle all disputes arising out of or in connection with the Contract in the following manner:

● The Party raising a dispute shall address to the other Party a notice requesting an amicable settlement of the dispute within seven (7) days of receipt of the notice.

● Matter will be referred for negotiation between Officer nominated by the Organization and the Authorized Official of the Bidder. The matter shall then be resolved between them and the agreed course of action documented within a further period of 15 days.
In case any dispute between the Parties, does not settle by negotiation in the manner as mentioned above, the same may be resolved exclusively by arbitration and such dispute may be submitted by either party for arbitration within 20 days of the failure of negotiations. Arbitration shall be held in Srinagar and conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. Each Party to the dispute shall appoint one arbitrator each and the two arbitrators shall jointly appoint the third or the presiding arbitrator.

The “Arbitration Notice” should accurately set out the disputes between the parties, the intention of the aggrieved party to refer such disputes to arbitration as provided herein, the name of the person it seeks to appoint as an arbitrator with a request to the other party to appoint its arbitrator within 45 days from receipt of the notice. All notices by one party to the other in connection with the arbitration shall be in writing and be made as provided in this tender document.

Each Party shall bear the cost of preparing and presenting its case, and the cost of arbitration, including fees and expenses of the arbitrators, shall be shared equally by the Parties unless the award otherwise provides. The Bidder shall not be entitled to suspend the Service/s or the completion of the job, pending resolution of any dispute between the Parties and shall continue to render the Service/s in accordance with the provisions of the Contract/Agreement notwithstanding the existence of any dispute between the Parties or the subsistence of any arbitration or other proceedings.

4.31 **Conflict of interest**

The Bidder shall disclose to the Organization in writing, all actual and potential conflicts of interest that exist, arise or may arise (either for the Vendor the Bidders team) in the course of performing the Service(s) as soon as practical after it becomes aware of that conflict.

4.32 **Severance**

In the event any provision of the Contract is held to be invalid or unenforceable under the applicable law, the remaining provisions of this Contract shall remain in full force and effect.

4.33 **Governing Language**

The Agreement shall be written in English language. Subject to below Clause, such language versions of the Agreement shall govern its interpretation. All correspondence and other documents pertaining to the Contract that are exchanged by parties shall be written in English language only.

4.34 **“No Claim” Certificate**

The Selected Bidder shall not be entitled to make any claim, whatsoever against the Organization, under or by virtue of or arising out of, the contract, nor shall Organization entertain or consider any such claim, if made by the Selected Bidder after it has signed a “No claim” certificate in favour of the Organization in such form as shall be required by it after the work is finally accepted.

4.35 **Publicity**

The Selected Bidder shall not make or permit to be made a public announcement or media release about any aspect of this Contract unless the Organization first gives its written consent to the selected bidder.

4.36 **Force Majeure**

Force Majeure shall not include any events caused due to acts/omissions of such Party or result from a breach/contravention of any of the terms of the Contract, Proposal and/or the Tender. It shall also not include any default on the part of a party due to its negligence or failure to implement the stipulated/proposed precautions, as were required to be taken under the Contract. The failure or occurrence of a delay in performance of any of the obligations of either party shall constitute a Force Majeure event only where such failure or delay could not have reasonably been foreseen, or where despite the presence of adequate and stipulated safeguards the failure to perform obligations has occurred. In such an event, the affected party shall inform the other party in writing within five days of the occurrence of such event. The Organization will make the payments due for Services rendered till the occurrence of Force Majeure. However, any failure or
lapse on the part of the Selected Bidder in performing any obligation as is necessary and proper, to negate the damage due to projected force majeure events or to mitigate the damage that may be caused due to the above mentioned events or the failure to provide adequate disaster management/recovery or any failure in setting up a contingency mechanism would not constitute force majeure, as set out above.

In case of a Force Majeure, all Parties will endeavour to agree on an alternate mode of performance in order to ensure the continuity of service and implementation of the obligations of a party under the Contract and to minimize any adverse consequences of Force Majeure.

4.37 General

4.37.1 Entire Contract

The terms and conditions laid down in the tender and all annexures thereto ad also the proposal and any attachments/ annexes thereto shall be read in consonance with and form an integral part of the Contract. The Contract supersedes any prior contract, understanding or representations of the parties on the Subject Matter.

4.37.2 Modification

Any modification of the contract shall be in writing and signed by an authorized representative of each Party.

4.37.3 Taxes

The bidder shall pay Goods and Service Tax and other applicable taxes, if any imposed on the services under this contract.

4.37.4 Application

These general conditions shall apply to the extent that provisions in other parts of the contract do not supersede them.

4.37.5 No Assignment

vi. Have non-compliance of any of the clauses stipulated in the RFP

vii. Have a lesser validity period

All responsive Bids will be considered for further processing as below.

Proposal Evaluation Committee will prepare a list of responsive bidders, who comply with all the Terms and Conditions of the Tender. All eligible bids will be considered for further evaluation by the Committee according to the Evaluation process define in this RFP document. The decision of the Committee will be final in this regard.

a. Evaluation committee will examine the bids to determine whether they are complete, whether any computational errors have been made, and whether the bids are generally in order.

b. Proposal shall be opened in the presence of bidders representatives who intend to attend at their cost. The bidders’ representatives who are present shall sign a register giving evidence of their attendance.

c. Proposal document shall be evaluated as per the following steps.
i. Preliminary Examination of Pre-qualification/ Eligibility Criteria documents:
The Prequalification document will be examined to determine whether the bidder meets the eligibility criteria, whether the proposal is complete in all respects, whether the documents have been properly signed and whether the bids are generally in order. Any bids found to be non-responsive for any reason or not meeting the minimum levels of the performance or eligibility criteria specified in various sections of this Tender Document will be rejected and will not be considered further.

ii. Evaluation of document: A detailed evaluation of the bids shall be carried out in order to determine whether the bidders are competent enough and whether the technical aspects are substantially responsive to the requirements set forth in the Tender Document. Bids received would be assigned scores based on the parameters defined in the table below. All supporting document submitted in support of Eligibility and Technical Evaluation matrix should comply the following:

- Supporting document is to be submitted in Technical Cover.
- Supporting document should clearly indicate value of the completed/on-going project and scope of work/services should be clearly highlighted.
- In case of Bidder is having Non-Disclosure Agreement (NDA) with their client, no such experience will be counted (if agreement copy not submitted).
- Bidders failing to comply any of the above then the Bid will be summarily rejected.

### 7.2 Financial Evaluation

The Bidder shall be selected on the basis of Quality cum Cost Based System (QCBS), whereby technical proposal will be allotted weightage of 70% and financial proposal will be allotted weightage of 30%. The proposal with the lowest bid shall be given a financial score of 100 and the other proposals shall be given financial scores that are inversely proportionate to lowest financial proposal as stated below. The total score, both technical and financial, shall be obtained by weighing the quality and cost score and adding them up.

Financial Proposals of only those Applicants who scores at least 50% marks in Technical Proposal evaluation shall be opened online and evaluated as per financial evaluation criteria.

If the number of prequalified applicants is less than 2 (two), the Organization may at its sole discretion prequalify the next Applicant, so that at least two applicants compete for the assignment.

The Financial Proposals shall be given scores as follows:

\[ S_f = 100 \times \frac{F_m}{F_m} \]

1. \( F_m \): Lowest financial proposal
2. \( S_f \): Financial Score

For selection of Consultant, final ranking will be determined based on the combined total score for each consultant separately. This will be done by applying a weight of 0.70(or 70%) and 0.30 (or 30%) respectively to the technical and financial scores of each qualifying proposal.

The Total Score of Technical Proposal and Financial Proposal shall be computed as follows: \( \text{Total Score} = (T_e \times 0.70) + (S_f \times 0.30) \)

\( T_e \): Technical score.
7.3 Selection
The Applicant scoring the highest Total Score shall be declared as the “Selected Consultant”.

7.31. Financial Proposal

- Applicants shall submit the financial proposal online only as per the BOQ on jktenders.gov.in. In the event of any difference between figures and words, the amount indicated in words shall prevail.

While submitting the Financial Proposal, the Applicant shall ensure the following:

i. The total amount indicated in the Financial Proposal shall be without any condition attached or subject to any assumption, and shall be final and binding. In case any assumption or condition is indicated in the Financial Proposal, it shall be considered non-responsive and liable to be rejected.

ii. The Financial Proposal shall take into account all expenses and tax liabilities. For the avoidance of doubt, it is clarified that all taxes, including GST, shall be deemed to be included in the costs shown under different items of the Financial Proposal. Further, all payments shall be subject to deduction of taxes at source as per Applicable Laws.
